

WENCOR DEFENSE

DEPENDABLE SERVICE FOR THE AEROSPACE INDUSTRY

Wencor Defense has 120 years of combined experience between Kitco Defense and Aero-Glen International. Each of these companies offer reliable, trusted services and solutions and collectively create synergies benefiting the Wencor defense segment.

We are a full-line stocking distributor offering value-added services and customized kitting solutions that includes aerospace fasteners, fittings, machined parts and other specialized hardware. Collectively, we service a diverse and global customer base in the Aerospace and Defense markets with world-class products and services as well as tailored supply chain solutions.

Our offerings include:

- + SAR Development (1,200 SARs Currently in Production)
- + Premier Provider of Kitting Programs
- + Value Added Services
 - Inventory Management
 - Consignment
 - 3rd Party Logistics
 - Supply Chain Solutions
- + In-House Engineering
- + C-Class Hardware Distribution Services
